Anmol Paul  
Locum New Business

"This is the first time I have dealt with MIAB for Locum Insurance and I have been very impressed with the professionalism and knowledge of your advisers. I was transferred to Anmol Paul, who was able to explain in detail the pros and cons of Locum Insurance. He was able to answer all my questions without hesitation and he was able to secure a competitive quote for my GP, which resulted in us taking out our Locum Insurance with MIAB. Having liaised with several insurance companies over the past few years for Locum Insurance I can honestly say that MIAB have been the best when it comes to customer service and assistance. Keep up the good work and keep your costs competitive. Please pass on my thanks to Anmol too."

Jonathon Down  
Locum Renewals

"We are a long standing client of MIAB's and have always been happy with the service and competitive rates we have received for our Locum Insurance. Thanks to the discounts negotiated, this year's renewal has made us a substantial saving of £1200. This saving means financial stability and continuity for our practice. We would have no hesitation in recommending MIAB for the quality of its products, high levels of service provided by their staff and competitive pricing." "I would just like to say thank you for your time and help with getting me organised to change our Locum Insurance. You were not pushy, which I always hate, and you gave us plenty of time to make a decision. I found you to be very honest about our options and feel very happy with the insurance you have provided. I am really pleased that we have moved to MIAB."

Hannah Wells  
Claims Support

"I had a recent claim for Locum cover and I was very impressed by the efficient and helpful way it was dealt with by MIAB. When you have a GP absent and all the practical problems of covering workload and clinics, the last thing you need is any problems with insurance claims. MIAB made the process very easy for me and I received the payment very quickly. I would recommend MIAB as I have always found them to meet my needs." "In my life's experience, MIAB have been the most efficient and effective insurance company in dealing with a claim. I was pleasantly surprised as to the quickness and hassle-free processing of our claim. Emails were quick and very explicit. Furthermore I had expected to wait weeks on end to have the claim settled but all proceedings were very prompt, quick and literally within a few weeks all paper work was processed and claim settled. I wish all insurance companies acted as professionally as MIAB."
