## Additional Notes

This is an application form - you will receive an email within 10 days of returning this form to let you know if you have been successful or not. If successful, you will be sent the payment instructions. A pitch is not reserved for you until it has been paid for in full.

Unfortunately there are some products we will be unable to accept due to a conflict of interest with our existing retailers and as with the nature of these events, we would like a mixture of items on offer so that everyone can get the best out of the day. We also want to offer a high standard of products.

We will provide a sellers pack in advance of the event and it will be promoted on our social media channels, giving you the opportunity to share with your customers too.

All the stalls will be inside and undercover so there will be no need to worry about gazebos flying away!

With the nature of the location being a shopping centre, we also offer toilet facilities, free parking, food & drink outlets, various cash points, wifi connection, along with our Caredesk, cleaning and security teams who are on hand to assist with any queries you may have, along as the event organisers being there on the day and in advance to help you.

## \*Food Sellers

Anyone wanting to sell food items will have to only sell items that are not intended for immediate consumption on site (e.g. jars of chutney or honey, packaged products) and for these would need to provide copies of any food hygiene certificates, PLI and risk assessments where relevant.

**Please return application along with photos via email to [clare.burnett@crystalpeaks.uk.com](mailto:clare.burnett@crystalpeaks.uk.com)**

or if you would like to speak to someone, call us on 0114 248 1117.

Thank You! 😊
